John M. Stalnaker, president of the National Merit Scholarship Corporation, stated: "About 32,000 students throughout the country are being awarded Letters of Commendation in recognition of their outstanding performance on the qualifying test. Although they did not reach the status of Semifinalists in the current Merit Program, they are so capable that we wish to call attention in this way to their achievement and academic promise.

"The Semifinalists and Commended students together constitute about two per cent of all high school seniors. This certainly signifies noteworthy accomplishment by all of these bright youngsters."

The National Merit Scholarship Corporation gives recognition to two groups of students who achieve high scores on the NMSQT. The Semifinalist group is composed of the highest scoring students in each state and in U. S. territories. Some 13,000 Semifinalists take a second examination to establish further their eligibility to receive Merit Scholarships.

"We earnestly hope that the Commended students will continue their education," Mr. Stalnaker continued. "By doing so they will benefit both themselves and the nation.

"The Letters of Commendation provide tangible recognition of their high ability. We urge the students honored today to make every effort to attend college, and to develop to the fullest their promise of achievement."

This year's program will conclude about April 3, 1964, with the naming of students who will receive four-year Merit Scholarships to the colleges of their choice.

The Commended students and the Semifinalists who do not win Merit Scholarships are considered for certain other scholarships that are offered through the facilities of the National Merit Scholarship Corporation.

FALMOUTH IN 24 to 23 WIN

It was a thrilling football game on Saturday as the Old Rochester Bulldogs gave Falmouth a commanding lead and then in a third quarter rush proceeded to overhaul the visitors. Rochester led off to lead 7 to 0 on the first series on a Bucky Andrews TD. The O R attack was then frustrated while Falmouth piled up the score. Falmouth led 12 to 7 at the half. In the Third quarter the lead had increased to 24 to 7. Donald Dorr picked off a Falmouth pass to start O R on their way. Andrews scored and converted and the score was 24 to 15. O R's Rose recovered a Falmouth fumble. Andrews carried to the 2 and Dorr sneaked over for the TD. Bill Garcia scored the conversion for 2 and the score was 24 to 23 where it remained as the home team ran out of time.

After the game, members of the Old Rochester Boosters Club were hosts to both teams at the high school cafeteria. Sandwiches, desserts and milk were served to the teams, the coaches and cheerleaders. A Bulldog decorated cake was made by Mrs. Edward W. DeCosta of Mattapoisett and was presented to the coaches.

CITIZENS' SCHOLARSHIP MEETING

The first meeting of the Old Rochester Chapter of the Citizens' Scholarship Foundation for the 1963-1964 season was held Thursday, November 14th, at the Old Rochester Regional High School. Mr. N. J. Cartmill, president, presided over a discussion of the Foundation's first very successful year. It was revealed that twelve area students are now attending colleges of their choice because of the $3600. raised by the Foundation on their behalf. Without these scholarship funds, many of those students would have found it impossible to continue their education.

Mr. Cartmill expressed the hope that the upcoming campaign will be even more successful than the initial one. Monies for the scholarship program are received from public donation within the Old Rochester School District. He explained that any qualified area student may apply for scholarship assistance from the Foundation; such student must be in the upper half of his class and in need of financial assistance.

In the future, it is expected that the scholarship program will become self-perpetuating as all recipients are urged to assume a moral obligation for the future return to the foundation an amount equal to that received.

A service will be held at the Christian Church, Mattapoisett on Sunday, December 8th, at 3 P.M. The Rev. Clarke B. Schaaf, minister of the Second Congregational Church in Attleboro, will conduct the service. The Rev. Schaaf is a great-great-grandson of the Rev. All are cordially invited to attend the service.

CHRISTMAS SHOPPING CAN BE FUN

Marion Art Center announces a Christmas Show and Sale of handcrafted works to be held at the Art Center December 1, 2 and 3. There will be offered a select collection of paintings, hand-decorated trays and pieces of furniture, ceramics, all types of needlework, as well as hand knitted and hand woven items. All products exhibited and offered for sale must be handmade. Coffee will be served the first afternoon of the sale, and the Marion Art Center members cordially invite visitors to come, inspect and select handcrafts for Christmas giving. If you shop as we do, you may find the perfect Christmas gift for your own home.....a hand decorated chair for that empty corner, a delightful painting for the guest room, those extra special ceramic ash trays you have looked for in so many shops, as well as one of a kind gifts for the one of a kind people on your Christ-
